

## Two Pathways to a dedicated relationship with CABC as an Enrolled Birth Center

“Engaged in accreditation” and “Enrolled Birth Center” are terms used by CABC to indicate a birth center’s **financial relationship** to CABC.

It is normal for some birth centers to be CABC-accredited and not yet an *Enrolled Birth Center*. All *Enrolled Birth Centers* are CABC-accredited.

### COLOR KEY for Steps in the Pathways:

<b>5-Step Pathway for:</b> Birth Center Established at least 1 year ago OR With more than 100 total births	<b>9-Step Pathway for:</b> Start-up Birth Center that is ready to open its doors OR Established less than 1 year ago OR With less than 100 total births
